

To celebrate sixty years of the Leo Baeck Centre
a photographic exhibition entitled

'The Journey Continues'

has been collated.

It opens to coincide with LBC's 60th Anniversary & Civic Service
on Saturday 27 March 2010.

The exhibition promises to
reveal the variety and richness
of community activities over
60 years. It will be visually
interesting and accessible
rather than a
chronological history.

The images reflect the key themes of the exhibition
which include LBC's history,
commitment to Jewish religion and tradition,
youth programs, commitment to social justice,
education and culture.

The themes highlight how the Leo Baeck Centre has grown into
a community centre focussing on religious beliefs
and cultural values, and at the same time
raising the profile of the centre in the wider community.

The exhibition will be open from
Monday 29 March for 3 months,
10 - 1pm Monday to Friday
(check gallery hours ph: 9819 7160)
