The William and Henrietta Kaye Memorial Study in Israel Scholarship 2019/20

A scholarship fund has been established in the memories of the late Hon. William Kaye AO, and the late Henrietta Kaye AO, long-standing members of the Leo Baeck Centre, devoted to humanity and to Israel, to assist people to study in and develop their relationship with Israel. It is particularly intended to assist those who would otherwise struggle to fund such a study visit.

Eligibility: Any person of any religion who is resident in Australia or New Zealand may apply. They must plan to undertake a study program in Israel for 16 days or more, of which at least half must be on a formal study course. The course and its institution must be open, just and equitable to students and must not denigrate any group or approach to Judaism.

Award: The total annual sum is usually \$6000 and it is expected that the award amounts may be between \$1000 and \$3000.

Applications: Applications are invited immediately, the deadline being as stated above. Please complete the form below.

Report: If you are successful in receiving a scholarship, you agree to provide a 1000 word written report within a month of completion of the studies. You agree that this report, or parts of it, with your name and photograph, may be reproduced as the trustees see fit. You may also be requested to speak about your experience at an appropriate opportunity and would be expected to do so once, at a convenient time.

Reimbursement of scholarship: If you fail to complete the study and visit that the scholarship has been granted for, the trustees may require some or all of the funds to be reimbursed to them.
